RELEASE

The general public is hereby informed that the issuance of Certificates of Ownership entails no other charges than the stamp duties affixed on the application (1000 CFAF) and on the Certificate of Ownership proper (1000 CFAF), and fees stipulated by the law, that is 3000 CFAF for natural persons and 5000 CFAF for corporate bodies.

Consequently, applicants are requested to resist any form of extortion, by MINDCAF officials and employees, of funds other than the fees mentioned above, and to systematically denounce them to MINDCAF Inspectorate General or Anti corruption Unit by means of written petition or telephone call (22 22 19 93 or 22 23 54 70).

In this regard, applications for Certificates of Ownership shall henceforth emanate from the applicants concerned or their duly designated representatives in accordance with the law in force.

Upon payment of the required fees, applicants shall claim a receipt to be issued by the competent Divisional Land Revenue Officer. The Certificate of Ownership shall be established by the Land Registrar within 48 hours sequel to submission of the application file.

I attach much importance to the strict and scrupulous respect of these prescriptions.
